## Product Description

Our new ACT 2012 Expert Training CD will walk you through the product providing you with plenty of short cuts and giving you advice on best practice.

This ACT! training CD contains over 3 hours of quality video tutorials developed exclusively for ACT! users and presented by top ACT! by Sage trainer, Elene Marsden.

This training CD is perfect for **busy people** who can't find time for classroom training. We show you how to **master your ACT! software** at your own pace wherever and whenever needed.

## The Trainer

Elene Marsden is an ACT! Business Partner with over 20 year's experience in training. She has enabled many individuals and companies **get more from ACT!** With her experience, she knows what works and the pitfalls to avoid. She is passionate about helping people to get the best from their software.

## 8 Expert lessons covering over 100 topics:

New! ACT! Integration with Google and Universal Search using wildcards, Segment your databases with Lookups, Design letter, email and label templates, Customise fields & layouts, Opportunities, Pipelines & Results, Write Reports, Ways to ACT! faster ACT! smarter, Importing contacts, Drip Marketing, Web Surveys & Forms.

## Customer Reviews

"The CD is a terrific tool. You will save yourself an enormous amount of time and it is so much better to get it right from the beginning." **Passmore Utilities Warehouse**

"I would recommend this product for any users of ACT." **Mark Lane**

"It is a very good product. I am used to using ACT and I found things even I did not know. It is absolutely fantastic - a smashing product!" **Colin Stewart Envisage.**

I am very happy with the CD. What is helpful is that you can actually stop it and "re-wind" to review and refresh your learning. **McKibbin -Management Consultancy**

"I would highly recommend this CD for busy people. Excellent training tool." **Norfolk Clubs**

**Elene Marsden**
